Welcome

Welcome to Jean Horan Kindergarten we hope that your time with us is enjoyable and rewarding. We aim to offer the best in education and care for your child.

Staff

Director: Julienne Muirhead
Teachers: Sue Stephenson, Teresa Golin, Julie Phillips
Early Childhood Workers (ECW): Sia Zougras, Megan Harris

There are also Early Childhood Workers (ECW’s) who do bi-lingual support, and other staff that support children with additional needs as required.

Services

Preschool:

Preschool sessions commence in the year before children commence School for 4 terms. Children are eligible to access up to **15 hours per week of Preschool** by attending:

- **Mornings only** (3 hour sessions) **Monday to Friday 8.45am – 11.45am** or
- A combination of **Full-days** (which equates to two 3 hour sessions) offered on **Monday, Tuesday, Wednesday and Thursday 8.45am – 3.15pm**, and an additional **Morning** (3 hour) sessions (to make up to 15 hours).

**Family Playgroup:** Friday Lunchtime Group (12.00 midday – 1.30pm)

**Preschool Support** is provided for children with additional needs.

**Bi-lingual Support** is available for some children where English is second language
**Session Times:**

Monday - Friday: Morning sessions 8.45 am - 11:45 am

Monday - Thursday: Full day sessions: 8.45 am - 3:15 pm (additional lunch care cost)

It is important parents do not leave children *unsupervised* in the playground before the session starts as staff are busy setting up for activities. If you arrive early with your child please stay with your child until the session commences at 8.45 am. It is also important children are collected on time.

**Term Fees**

Preschool: Please check with the Kindergarten. Currently $85 per term (for 5 sessions or 15 hours)

Lunch care fee: Please check with the Kindergarten. Currently $6 per day

Playgroup Fees: Please check with the Kindergarten. $2.50 per family per day

Parents will receive an account for fees. Fees should be paid in the first 4 weeks of term. Please place money in an envelope and place in the Fee box. No change is kept on the premises so it is important to provide correct money or a cheque. Electronic banking is also available (please reference with your child's name).
Curriculum

Program of Experiences
Staff develop a new program of experiences each fortnight for children using the National Early Years Learning Framework (EYLF) ‘Belonging, Being, and Becoming’.

Our program is flexible enough to make changes during the two weeks to fit in with children's learning needs. Content for the programme is also drawn from the children's strengths and interests, identified areas of need, from children's ideas and parent input.

Staff evaluate the program each week to ensure it is appropriate for the children. The program is displayed in the Kindergarten.

We welcome parent participation and involvement in our program.

Records on Children’s Learning and Development
When children begin at the centre, parents are asked to fill out a questionnaire regarding their child’s strengths and interests, areas that may need further development and any specific information that will assist individual planning.

At Preschool staff spend time talking to children and observing their play, their interactions with others, and noting their interests and needs.

The observations and the information collected enable staff to formulate an Individual Learning Plan for every child. This is referred to when planning and programming, and shared with parents.

Staff collect relevant pieces of children’s work that demonstrate skills and development, particular interests, creativity and experimentation with writing, drawing, patterning, and emerging numeracy skills. Staff also continue to record observations about children's social interactions, physical skills, language, speech and vocabulary development and their participation in play and activities.

In the child’s final term of Preschool a Summative Report (DECD Statement of Learning) is compiled by staff and presented to parents with a copy going to the school your child will be attending (with parent permission).
School Enrolment

It is a good idea to contact the school of your choice as soon as your child begins at the Preschool. It is the responsibility of the parent to enrol the child at school and fill out appropriate forms.

Please inform the Director as soon as you know the school your child is attending or if there are any changes to the nominated school or starting date of school.

Please remember that children are only entitled to 4 terms of Preschool.

Jean Horan Kindergarten has a good relationship with all local schools. We especially have a close link with Flinders Park Primary School and have regular visits to the school including to the library, the Reception classroom and to join with the school for special events.

REMEMBER TO BOOK YOUR CHILD INTO SCHOOL AS SOON AS POSSIBLE TO AVOID DISAPPOINTMENT!
General Information

What to Bring to Preschool

- A bag large enough to fit all your child's personal belongings
- Spare clothes
- A hat (wide brimmed) to protect your child's face and neck from the sun
- Water in a drink bottle that can be refilled throughout the day
- Healthy food for snacks (morning and afternoon) and lunch (if your child is in the lunch care program). The Preschool promotes healthy eating and a healthy active lifestyle. *Fresh fruit is the preferred choice for snack time* (and we welcome donations of fresh fruit and vegetables from your home garden). *Lunch Care* children put their lunch in the fridge. Their snacks can stay in their bags.

*If your child is going on an Excursion* please bring all food in disposable wrappers (e.g. paper bag) and disposable drink containers with your child's name clearly marked on everything.

Please ensure - all belongings are clearly labelled with your child's name.

It is important to let staff know if you want someone other than a parent/legal guardian to collect your child.

**VERY IMPORTANT – NO NUT FOODS PLEASE**

The preschool has a 'Nut Aware' policy. This means that we are aware some children have serious allergies to Nuts, and ask parents to *please avoid bringing food with NUTS or traces of Nuts to preschool* (including to social functions such as Share Family Lunches). This includes products such as Nutella and Peanut Butter. *Please read the labels* of all food before sending food to preschool and consider those with allergies. If your child is allergic to nuts, please be aware the preschool cannot guarantee that there are no nuts on the premises in lunches and snacks as these are packed from home. We do ask all parents however to consider the health needs of those with allergies and avoid sending them to preschool.
**Clothing**

All clothing should have the child’s name clearly marked, including children’s shoes, jumpers, hats and lunch/snack containers. Children should wear comfortable easily washed clothing. Although smocks are provided for some activities, it is inevitable that clothes will sometimes get dirty, wet or get paint on them.

Clothes that allow free movement – are not too tight, too loose or too long and allow children to play safely and go to the toilet independently, are most appropriate.

Children should come to Kindergarten in footwear that enables them to climb, run and play safely, and that they can take on and off themselves. Shoes with velcro strap are ideal and thongs should be avoided.

**Sun Protection**

Children should have sunscreen put on before coming to Preschool each session. If your child comes to Preschool all day please ensure you have filled out a Sunscreen Permission form to allow the staff to apply Sunscreen on your child at lunchtime when necessary.

IF your child is allergic to Sunscreen and needs a special brand, please ensure you supply sunscreen labelled with your child’s name. Please also ensure the details of the allergy are recorded on the enrolment form with appropriate medical practitioner information supplied where necessary.

Hats should cover the child’s face and neck and should be worn all year. Children who do not wear a hat will be asked to play in shaded areas.

**Medication and Health Needs**

It is each parent’s responsibility to keep the Preschool informed about all health issues with your child. If a child has a medical condition such as an allergy or asthma it is essential a Doctor’s Care Plan is supplied BEFORE starting Preschool. Children cannot attend the Preschool until all documentation about the condition including what to do at Preschool has been supplied and signed off by a medical practitioner.

Medication such as antibiotics can only be administered to children with either a medical practitioner's written permission or the parent’s written permission with clear details of the dosage etc. The container the medication is in must be clearly labelled with a pharmacy label and details that match the written permission and the child’s name.
If your child has a medical condition or disease and is unable to attend Preschool please inform the staff at the Kindergarten as soon as possible. Children should not attend preschool if they show any signs of illness or disease. Please ask Staff if you need further details regarding our guidelines.

**Library Borrowing**

Children's books can be borrowed every day and children are encouraged to borrow regularly. The books are located on the veranda and can be kept for one week. They need to be returned before another book is borrowed. Parents and caregivers need to fill out the borrowing card when borrowing and returning a book. Please use a bag to carry books, in order to protect them. If you need any help filling out the card, please ask Staff.

**Literacy Kits**

Literacy kits are composed of items such as books, CD's, puppets, ideas sheets etc, and the focus of these is help parent/carers with ideas to extend their child’s Literacy - language, vocabulary, numeracy skills and learning. Literacy kits are located on the veranda and one kit at a time can be borrowed for up to one week. Parents/carers need to fill in the Literacy kit folder when borrowing and returning kits. Please let Staff know if something is missing from a kit. There is no borrowing in the last week of each term when all items must be returned. If you need any help with filling out the folder please see a staff member.

**Behaviour Management**

At Jean Horan Kindergarten we aim to provide a positive and caring environment that is safe, nurturing and enriching for every child. To achieve this our Staff support children to take responsibility for their own wellbeing, to express their feelings in acceptable ways, and to respect the safety and rights of others.

Children are supported to develop confidence and independence in problem solving and managing conflict situations. If you have any behaviour concerns regarding your child please discuss them with the Director.
**Governing Council**

Our Governing Council is made up of Preschool Staff and parents. New members of the Council are elected each year at the Annual General Meeting.

The Governing Council is responsible for the equitable management of the Centre. Committee meetings are held about twice a term.

Notice of meetings will be in newsletters, and also on the front whiteboard.

All parents are welcome and encouraged to attend.

**Parent Participation and Help – your involvement in our Centre is very welcome.**

A washing roster is made up each term. We ask that families assist by taking home the washing at least once while their child is at Preschool.

Other ways parents can help out include:

- Helping with jobs around the Preschool including sweeping, gardening, preparing art materials etc.
- Talk with children about another culture, or your work e.g. nursing, police, ambulance etc
- Reading stories to the children
- Gardening after hours or with the children
- Cooking with the children
- Cutting up collage
- Covering books
- Library cataloguing
- Joining staff on excursions
- Assisting staff during a session
- Dance/play a musical instrument
- Help clean up at the end of a session
- Donating items of use to the Preschool

**PLEASE SEE STAFF IF YOU CAN ASSIST!**
Change of Personal Details
It is vital that the Preschool has Current Contact Details including emergency contacts. Please advise us at any time if details such as phone numbers etc. change.

Lost Property
There is a box with lost property usually located on the veranda. Please check your child’s belongings each day as it is easier to locate a missing item when it is noticed straight away. All items are donated to charity at the end of term.

Communication Pockets
Each family is given a Communication Pocket near the entrance to the Kindergarten. This is where parent information, newsletters, excursion news, fee accounts and other information is placed. Please check this pocket daily and ask anyone else bringing/collecting your child to check this pocket.

We look forward to being a part of the education and care of your child and supporting your child in the early years.
